

RFP #11-032-217-MH-090

Subject: Veterans Memorial Pool Re-surfacing

Due: November 30, 2016 by 2:00 PM CT

Addendum #1

Please note that this Addendum, the City will not require this document to be signed in order for a response to be considered (Section 1.10 of RFP document)

- 1. There are two mistakes in RFP that make reference to a “modular containerized shooting range”. These appear in Section 1.1 (Page 3) and 1.18.1 (Page 5). This is a left-over from a previous RFP template and have nothing to do with the re-surfacing of Veteran’s Pool.**
